Dear Sir or Madam;

I am writing to appeal to "Request for Review" the Funding Commitment Decision Letter issued for East Montpelier Elementary School billed entity 4891. I am appealing the FCD based upon FY2006 Form 471 535138. An oversight was made on the form and required information requested has been obtained. We have appealed this with USAC and received a letter back from them indicating they could not consider it and to reference **CC Docket No. 02-6** in this FCC-level appeal.

FRN 1481036 request for Internet Access Service is a fractional T1 line at a 384k speed. The PIA Team also stated that we need proof of that form 470 #339480000545300 was mailed within the February 16, 2006 window. Form 470 was completed within the filing window and was postmarked also within the window. Proof of mailing is attached.

The Program Integrity Assurance (PIA) Team brought this issue to our attention. Correspondence would have been sooner, but due to lack of staff available and understanding of USAC forms and regulations we are submitting our request at this time.

Please consider this appeal, with the understanding that we have fulfilled the information requested by PIA team. Please also consider a "Request of Waiver" of any deadlines associated with this appeal.

Sincerely,

You were recently sent a written request for additional information needed by the Program Integrity Assurance (PIA) team to review your FY2006 Form 471 Application to ensure that it is in compliance with the rules of the Universal Service Support Mechanism. We requested that the information be provided within seven calendar days. To date, none of the requested information has been received. The information needed to complete the review is listed below.

- On your original FY2006 Form 471 **535138**, Form 470 Application Number **339480000545300** is referenced as the establishing Form 470 on **FRN 1480648**, **FRN 1480839**, **FRN 1481036**. Our records do not include a Form 470 Certification that was post marked on or before the close of the filing window on February 16, 2006.

**If the cited Form 470 certification was postmarked on or before the close of the filing window on February 16, 2006, please provide proof of mailing, such as a certified mail receipt, delivery tracking documentation, online certification confirmation page, or other equivalent documentation supporting your claim, and a copy of the original Form 470 certification page.**

If your Form 470 Certification was submitted with other documents or Forms in the same envelope, please indicate what documents or Forms were submitted together. . Please indicate the Form type (Form 471, Form 486, etc.) and application number if known.

Please refer to the Proof of Postmark or Delivery document available in the reference area of the SLD website

<http://www.universalservice.org/sl/about/document-retention-requirements/proof-postmark.aspx> for questions regarding the documentation required.

- For the entity **EAST MONTPELIER ELEMENTARY SCHOOL**, we do not have the associated FCC Registration Number (FCC RN). The FCC, in its Fifth Report and Order, requires that all entities that currently participate in the Schools and Libraries Support Mechanism have an FCC Registration Number. This requirement applies to schools, libraries, non-instructional facilities, consortium leaders, service providers and consultants.

**If you already have an FCC Registration Number for this entity, please provide that FCC Registration Number.**

If you do not yet have an FCC Registration Number, you can obtain one by applying to the FCC, at <http://www.fcc.gov>. Click on link for CORES (Commission Registration System), or go directly at the FCC CORES registration site at <https://svartifoss2.fcc.gov/cores/CoresHome.html>.

After obtaining the FCC Registration Number, please provide the FCC Registration Number.

Additional guidance on this topic and filing tips are located in the Reference area of our website, under "FCC Registration Numbers."

You will need your Taxpayer Identification Number (TIN) to obtain an FCC Registration Number. Many entities can have the same TIN (for example, individual schools in a school district). For some employers, including state and local government agencies and non-profit organizations, the TIN is the IRS-issued Employer Identification Number (EIN).

Please fax or e-mail the requested information to my attention. If you have any questions, please feel free to contact me.

It is important that we receive all of the information requested so we can complete our review. **Failure to do so may result in a reduction or denial of funding.** You are being given an additional seven calendar days to respond. If we do not receive the requested information within seven calendar days, your application will be reviewed using the information currently on file. If you need additional time to prepare your response, please let me know as soon as possible.

Should you wish to cancel this application, or any of your individual funding requests, please clearly indicate in your response that it is your intention to cancel an application or funding request(s); along with the application number and/or funding request number(s), and the complete name, title and signature of the authorized individual.

Please send the required information within seven calendar days. If you need additional time to prepare your response, please let me know as soon as possible. A copy of this correspondence is being forwarded to your State E-Rate Coordinator for informational purposes only.

Thank you for your cooperation and continued support of the Universal Service Program.

Attached is a list of documents required to process your e-rate application. Please fax or e-mail the requested information to my attention within 7 calendar days. Be sure to sign the cover sheet of your fax.

### FCC 06-54 Corrections

Attached is a corrected form 470 for application number 339480000545300 to address the issues you pointed out in a letter dated Mar 17, 2006 to Candy Chevalier regarding East Montpelier Elementary School, entity 4891. We have noted the following:

- The 470 form indicates a "posting date" of 10/06/2005, which is before 2/16/2006, so it would appear that the form was submitted before the close of the filing window.
- We have changed the "Quantity and/or Capacity" field under section 9 of the form 470 to indicate the speed and type of the Internet access connection being referenced. The speed is a 384Kbps frame relay fractional T1 circuit. We believe that this addresses your request that "the documentation does not indicate the bandwidth of the service being provided". If that is not what you were referencing, please let us know specifically where we should indicate the bandwidth.

If you have any trouble opening the attached file, please let me know.

Thank you.
